---

A one year warranty is offered by Desa Glass that extends to products manufactured by Desa and materials used in said manufacture as limited to the following:

1) Fabrication of Desa products shall be free from material defects in workmanship and material flaws for the normal, useful life of the product. All decisions regarding alleged defects in material and workmanship shall be made by Desa Glass and shall be final and binding upon the parties.

2) The said warranty commences from the date of shipment from Desa Glass. Desa Glass must be notified in writing about any damages or material flaws within sixty (60) days from the installation date.

3) The sole and exclusive remedy with respect to this warranty shall be the repair or replacement of the defective material or repayment by Desa Glass of the written purchase price. Desa Glass reserves the right to select the remedy.

4) Said warranty also does not cover, and Desa Glass hereby disclaims, all

liability for any product which has been subject to abuse, alterations, modification, neglect, misuse, abnormal use, accident, fire, war, flood, earthquakes, acts of God, or damage caused by parts not supplied by Desa Glass.

5) To be warranted, the product must be installed and maintained by an accredited Desa Glass installer using recommended practices and installation instructions. This warranty does not cover, and Desa Glass hereby disclaims, all liability for damages incurred by installers NOT accredited by Desa Glass.

6) In no event shall Desa Glass be liable for special, direct, indirect or consequential damages of any kind including, but not limited to, loss of use, loss of profits or good will, or any other loss or injury.

Desa Glass will endeavour to make every effort but does not control the selection and final use of these products and assumes no responsibility therefore. Desa Glass reserves the right to change or discontinue these products without notice.
